A message from Pastor Christy...

"Now after Jesus was born in Bethlehem of Judea in the days of Herod the king, behold, wise men from the east came to Jerusalem, saying, 'Where is he who has been born king of the Jews? For we saw his star when it rose and have come to worship him.'" (Matthew 2:1-2)

Epiphany reminds us that God reveals Himself in ways both wondrous and unexpected. Guided by a star, the Magi set out on a journey that led them not to a palace filled with power, but to a child wrapped in humility – Jesus, the Light of the world. In this simple and holy moment, God made His promise clear: Christ has come for all people, bringing grace, mercy, love, and hope to a world longing for good news.

After the joyful hustle and bustle of Christmas – decorations, gatherings, cooking, traveling, gift-giving, and perhaps a bit of exhaustion – Epiphany invites us to slow our pace. The carols still echo, the lights may still glow, but now we are given space to breathe, reflect, and rest in God's presence. Like the Magi who paused their long journey to kneel in worship, we are reminded that faith is often strengthened when we stop, pause, notice, and give thanks for what God has already done.

This season also gives us permission to enjoy the quieter joys of togetherness. Faith does not always have to feel busy or serious; it can include laughter, play, and simple moments of delight. With that in mind, I invite you to enjoy something included in this newsletter just for fun – see if you can find them (there are 2) and have fun. Whether it becomes a lighthearted distraction or a peaceful moment of rest, may it bring a smile and a sense of calm after a busy season.

As we continue through Epiphany, may Christ's light shine in both our stillness and our activity. May it guide our steps, renew our hearts, and remind us that God's grace meets us exactly where we are – drawing us ever closer to the joy, peace, love, and hope found in Christ Jesus.

Yours in Christ,

Pastor Christy

Treasurer Barry Critchfield presented the 2026 spending plan to council for discussion and approval. Predicted total income is \$185,110 with expenses estimated at \$185,009. The budget was approved by council and was presented to the congregation for approval. Council approved a motion to transfer \$6000 from the Trust Fund to the general fund in anticipation of an approximate \$4600 shortfall in the 2025 budget. Council approved benevolent donations to the Synod Mission Support (\$2000), UPJ campus ministry, United Lutheran Seminary-Gettysburg, Sequanota (\$200 each) and West End Food Pantry (\$100); council also is allocating the \$215 donated by members for Christmas/Easter charities to the Food Pantry. Members also donated \$1049 to World Hunger during 2025. Council accepted a proposal from Raimondo Inc. for a yearly inspection of the roof, in order to prevent/mitigate any future leaks/damage. The organ should be fully functional by Christmas Eve services.

A Congregational Meeting took place on December 13 before worship and again on December 14 after worship. During these meetings, the congregation approved the budget for 2026 and elected three individuals—Jessica Boring, Janice Hill, and Vicki Price—to serve on the Council through January 2029. The next regular council meeting will be January 14, 2026, at 7:00 pm.

January 18: We will have a combined service with Benscreek Lutheran at 10AM to celebrate finishing our painting project and the new Organ console. There will be a combined choir for this service. Practices for the combined choir will be on January 4 and 11 after church.

I will be starting a banner committee to evaluate, repair, and rejuvenate our banners. Please let Vicki know if you are interested.

Thank you to the December Altar Guild: Caryl Swanson, Greer Koeller, Vicki Price, Kathy Stephenson, Karen Bennett, Karen Hargreaves, Patty Schrott, Fawn Slonka, Donna Kovalchek, Annie Hayes, and Carol Massingill.

Thank you to the new volunteers to the altar guild. We have teams learning many tasks including Candle filling and care, and Sunday Setup. Training will continue through January. Monday morning at 10am for Candles and Sunday mornings at 10am for Setup.

During this past Advent season, our congregation engaged in two highly successful service projects, demonstrating remarkable generosity and compassion. The contributions received will make an impact on those in need, and we extend our sincere gratitude to everyone who participated.

Our first initiative focused on collecting essential items for children with special needs through the IU08 program. The response was overwhelming, with donations exceeding expectations. We gathered over 290 items, including hats, gloves, scarves, socks, underwear, undershirts, T-shirts, leggings, and complete outfits. These items were available in various sizes to ensure they meet the diverse needs of the children. We are confident that the children who receive these gifts will experience joy and comfort, knowing they are cared for and supported.

The second project involved collecting sweaters and coats for veterans, a cause that resonated deeply within our community. We successfully collected 90 sweaters and 2 coats, with a balanced distribution of 40 sweaters for women and 50 for men. The collection featured a wide array of colors and designs, reflecting the diversity and individuality of the recipients. Each sweater was either tagged or accompanied by a Christmas card, adding a personal touch to each gift. One notable tag read: "I'm not lost: I'm here to spread some love. Please take me to keep you warm," embodying the spirit of kindness and warmth that defined this initiative.

The Outreach Committee wishes to express heartfelt thanks to everyone who contributed their time, effort, and resources to ensure the success of these projects. Their collective generosity has made a tangible difference in the lives of many. As the saying goes, "in Whoville, the Grinch's small heart grew three sizes that day," and through these donations, we hope to inspire similar growth in compassion and community spirit. The recipients of these gifts will undoubtedly feel the warmth of our collective kindness, and their hearts will be touched by the knowledge that they are valued and cared for.

Organ Report

Hopefully, by now, you have heard the Skinner

organ played in worship. For a few weeks in December only a few stops were available. Then some major effort brought much of the organ online for Christmas Eve services. The fullness of tone and the special tone solors brought the carols to life for those celebrating here.

With the updating of the electronics in the console Mark Steiner and his crew check each individual pipe to assure that it plays properly. Soldering connections, checking valves, repairing pipes, and tuning pipes are all a part of the process. With an instrument with around 3000 pipes this is a tedious and time-consuming process.

Mark Steiner brings technical expertise, musical sensitivity, and an understanding of musical worship leadership to his work here at First Lutheran. Work will continue into the new year with connections of the solo and echo divisions, as well as trouble shooting a few problem areas. The console works beautifully and I am enjoying playing a reliable instrument.

Stewardship pledge drive ends for now

The stewardship pledge campaign has ended satisfactorily, with 42 pledges toward the regular offering, one fewer than last year.

The total, which accounts for about half the operating budget, is down \$2,600. There were six new pledges and 12 increased pledges; three decreased., and seven returns showed no monetary pledge.

Talent pledges covered nearly all the lay volunteer ministry, which is quite substantial, said George Fattman, stewardship chair. He said the stewardship emphasis would broaden in 2026, urging faithfulness in all aspects of life.

"A good steward is a happy Christian," he said.
